THE PEMBINA NEWS ADVERTISER

November 20, 1958

Vol. 3. No. 46. A. Playford, Editor.
Box 120. Drayton Valley, Alberta.

INFORMATION REGARDING NOVEMBER 25, 1958, HOSPITAL FLEETSITE:

PURPOSE: By-law #5, to provide suitable accommodation for Nurses that will meet the requirements of the Department of Health, enabling the Hospital to receive construction grants provided by the new Dominion-Provincial Hospital Plan.

By-law #6 to provide necessary capital to complete your hospital to meet the standards as set out by the new Dominion-Provincial Plan.

Our Provincial Government entered into the Dominion-Provincial Plan in July, 1958, which plan has substantially changed methods of financing since our original plan was accepted by the Ratepayers of this District. Many additional benefits are now derived by your District from this Plan, which more than offset this additional capital expenditure, in order to comply with their standard.

Officials of the Department of Health have indicated in public meetings and in the press that payments for capital costs will be borne by the Provincial Government. If this proves to be true (and your Board has no doubt it will) it will mean that the Province at large, rather than our Hospital District, will be paying for the Hospital and Nurses Residence. The resulting benefits to you, the ratepayer, are obvious.

WHO MAY VOTE:

- All persons liable for taxes under the Municipal District Act.
- The wife, husband, sons and daughters, father or mother, at least 21 years of age, of such persons, and residing with such persons within the hospital district.
- Corporations by an agent authorized in writing to do so.
- If your name is not on the voters' list, and you are qualified to vote, you may vote by signing a declaration on a form provided under the Act at the poll at the day of voting.

VOTE YES!

For further information contact any of your Board Members: D. G. McKenzie; Chairman, T.B. Canning; Vice-Chairman, C. Guse; E.T. Proehl; D. Sawatzky; F.H. Seutter; L. Stordalsvoll; L.A.M. Asante, Secretary-Treasurer.

MARK YOUR BALLOT THUS:

Date: November 25, 1958. **BY-LAW #5**

TO AUTHORIZE the Board of the Drayton Valley Municipal Hospital District #7 borrowing, by way of debentures, the sum of \$50,000.00 for the purpose of building and equipping a Nurses Residence in the town of Drayton Valley?

CAMPION BUILDS BRIDGE OVER PEMBINA

Campion Pipeline Co. recently completed a bridge over the Pembina River at the Easyford Crossing. The bridge was built by Campion for Colorado Oil and Gas Company to give them ready access to their holdings on the west side of the river.

A one lane bridge, the structure, which is set on pilings with 2 1/2 foot spans, is intended only to carry cars and light pickups. The river has been graded to divert all water under the bridge spans.

Drayton Valley, Alta.

THE PEMBINA NEWS ADVERTISER Nov. 20, 1958.

KEN MASON'S COLUMN:

Now that the federal and provincial governments are committed to helping municipalities foot the bill for winter works projects, the question is whether many Alberta municipalities will be able to take advantage of the offer.

Ottawa announced some time ago it will pay municipalities 50 per cent of the labor cost incurred in road, sidewalk and sewer projects which wouldn't ordinarily be carried on in the winter, as a means of boosting employment.

Last week the province got into the act. Premier Manning said the province will pick up 25 per cent of the labor cost, leaving the municipalities to pay only the remaining one-quarter of the labor bill on special winter work.

To promote quick action, the province will also lend up to \$4,000,000 to municipalities to finance winter projects, at an interest of five per cent.

But here's the problem municipal administrators are pondering: How much road, sewer and sidewalk work can be done in western Canada in the dead of winter? Of the three, underground sewer looks like the best possibility.

Premier Manning has written Ottawa asking the federal government to broaden the scope of the program, but at the time of writing there had been no reply. He pointed out that such things as gravel stockpiling and bridge construction can be carried out easily in the winter and would do more to stimulate employment.

DEFICIT FINANCING is a painless matter if you happen to have a fat bank account like the government of Alberta.

In the fiscal year, ended March 31, the province took \$20,122,602 from its savings to make up the difference between revenue and expenditures. This compares with surpluses of \$34,363,412 on the 1956-57 fiscal year, and \$13,939,544 for the 1955-56 fiscal year.

Total revenue for the year was \$277,373,997, while overall spending was \$297,496,595.

Main factors responsible for the operating deficits: \$10,932,540 spent on oil and gas royalty dividends, \$52,060,437 shelled out to reduce the public debt, and an unexpected increase in school buildings assistance.

The figures are contained in the public accounts report for the year, released last week by Provincial Auditor C. K. Huckvale.

ARE ALBERTANS GUZZLING more, or are there more Albertans guzzling? Whatever the answer of liquor and beer in the last fiscal year to give the liquor board a profit of \$18,844,100 on the years operations. The profit represented an increase of more than \$2,000,000 over last year's figure.

Liquor alone accounted (cont'd next column)

Ken Mason's Column: (cont'd)

for gross sales of \$39,097,576, while beer sales grossed \$29,920,234. According to the public accounts figures, Edmonton drinkers gave the liquor board a profit of more than \$6,000,000. Beer sales alone in Edmonton grossed \$8,830,706, leaving a beer profit of \$1,454,489 in the capital city.

WHEN A GOVERNMENT is faced with an unexpected expenditure, the cabinet must pass a special warrant to cover whatever amount must be spent.

In the last fiscal year, the Alberta government spent \$11,987,528 under authority of special warrant. One of the main factors was an unexpected increase of more than \$6,400,000 in the amounts required for school building assistance.

Every department of the government had to ask cabinet for increased appropriations in varying amounts. In each case, the warrant must have the approval of the provincial auditor. An employee of the Legislature (not the government), the auditor acts as the watchdog on the government purse strings.

Provincial civil servants travelled a total of 7,366,134 miles in their own cars last year, and received mileage allowances amounting to \$80,809. This was the major item in an overall travelling expense bill of \$1,781,500 paid to civil servants during the fiscal year. Subsidy allowances paid to civil servants away from home on business totalled \$704,984.

ANGLO-CLAN W.A. MEETING.

The November meeting of the Anglo-Clan Women's Auxiliary was held on Wednesday, November 12, in the afternoon, in the Parish Hall.

A report was made on the Fellowship supper which was a great success. A report was also given by the committee in charge of catering to the Legion buffet dinner. The committee would especially like to thank all the Anglo-Clan ladies who are not members of the W.A. for the help they gave us.

A most encouraging report was given of the work of our Little Helpers Secretary, Mrs. Lecky. Mrs. Lecky, a new member, has done a great deal of visiting and has increased the Little Helpers Roll from 25 to 50. The country children still have to be contacted.

The ladies decided to make a donation to the Springhill disaster fund.

The Lions Den

Seven guests were present for the regular dinner meeting in the Gadium Room of the Drayton Valley Lions Club. Those present as guests of various members of the club were: Dr. MacLure, Bill Copeman, "Spike" Brown, Don Booker, Ben Howard, Roy Morton and Dr. Brooks.

A report was given on the progress of the hockey rink that is being erected beside the Drayton Valley Recreational Building. The rink is a project of the Lions Club of Drayton Valley, with much help being given the project by other groups: the Rotary Club, the Town of Drayton Valley, various oil companies, and so on.

A work-bee is planned by the Lions Club for Saturday, November 22, to start at 9:00 a.m. Anyone interested in playing hockey is urged to come out on Saturday and give a hand in getting the rink ready for use.

December 5th meeting of the local Lions group will be in the form of a Ladies night. It will be held in Community Hall with an orchestra provided for dancing, and supper at midnight. It was announced that Stony Plain was holding a Charter Night for their newly organized Lions Club, Wednesday, November 19.

Following the dinner the Program Committee had arranged for a program which consisted of the presentation by Dr. MacLure of slides taken in Africa while the MacLures were medical missionaries to that land. Both the talk by Dr. MacLure and the slides were very interesting.

ANGLO-CLAN W.A. MEETING. (cont.)

The conveners for the Annual Turkey Dinner and Bazaar have been picked. Mrs. Will Jones, Mrs. Dunington and Mrs. Bright will take charge of the affair. The turkey supper will be held in Community Hall on Saturday, November 29, from 5:00 to 8:00 p.m. It was decided to hold a special

In the picture to the left the Honorable Mr. Taylor may be seen cutting the ribbon in the dedication of the Drayton Valley Bridge on November 12. Mr. Taylor is flanked by oldtimers of the district whom he had asked to stand with him as he performed the ribbon-cutting ceremony.

In the picture below, His Worship, Adrian Meier, mayor of Drayton Valley is giving an official welcome to the many visitors on hand for the occasion from the town of Drayton Valley.

In the lower right hand picture Corporal J. Phipps of the Drayton Valley detachment and Corporal M. Hopkins, of the Breton detachment are on duty on the bridge, where they were directing traffic. Also on directing traffic at the bridge was Constable Terry Lewis, of the Drayton Valley R.C.M.P. detachment.

AMERICAN W.A. MEETING.

(Remembrance Day)

A goodly number of the members of Drayton Valley's Legion were on hand for the parade on Remembrance Day. Standard Bearers were Mike Burke and Len Charbonneau. The parade formed at McFarland Lumber Co. office and marched to the Community Hall where a Memorial Service was conducted by Rev. W.A. Edington, of the Anglican Church; Rev. J.C. Wiuff, of the Church of God, and Rev. A. Wright of the United Church; Mr. Wright gave the Memorial address, which all agreed was unusually fitting and appropriate to the occasion.

Following the service members of the Legion enjoyed a social hour, and in the evening a buffet supper was served to Legion members and their ladies, with a few invited guests. Dancing was enjoyed to music provided by Chuck Dion, Mr and Mrs Jack Platz, Bill Henry and Pete Chamyszyn.

John Getzinger. addition

Donald Amraut, lot 19, block 27, residence.

The Town of Drayton Valley has sent a letter to the Department of Highways requesting further information relative to the proposed street paving program of the Department, which is said to make provision for assistance to towns in their street paving projects.

In an all day meeting recently the Town Council, in addition to disposing of a large volume of business relating to the town, set up committees to take care of various phases of the town's operations. Heading the committee for Health and Welfare is Don McKenzie; Oil Oslund is chairman of the Development Committee, Frank Bosworth is chairman of the Finance Committee; Chairman of the Public Works Committee is Carl Wahl, and Howard Pickup is chairman of the Public Relations Committee.

Under discussion with the provincial government is the matter of the possibility of the building of a hospital for chronic cases in Drayton Valley.

A brief is being prepared for submission to the Public Utilities Commission Board regarding rates for natural gas in Drayton Valley. A Sub-

mission is to be presented to the Board to prevent a raise in gas rates within the town of Drayton Valley.

HOSPITAL DISTRICT VOTES ON MONEY BYLAWS

Although the official figure had not yet been released at the time of going to press it is believed that the money by-laws relating to the Drayton Valley Municipal Hospital District passed by a substantial majority.

Bylaw No. 5 provides for the building and equipping of a Nurses' Residence in Drayton Valley, and Bylaw No. 6 provides for the borrowing of \$35,000. by way of debentures for completing purchase of equipment and other items needed by the hospital.

Drayton Valley Hospital is filling a large and growing need for hospital facilities in the district. To date, since the hospital opened on August 3th, there have been 390 admissions to the hospital, and 50 babies have been born there.

NOMINATING CONVENTION FOR STONY PLAIN CONSTITUENCY TO BE HELD IN DRAYTON.

Representatives of the Stony Plain Progressive Conservative Association met in Edson recently during the time the Jasper-Edson federal constituency convention was being held. The Stony Plain group decided to hold the nominating convention for the constituency in Drayton Valley.

Date set for the Nominating Convention is January 10th, 1959. The meeting will be held in the evening of the tenth of January.

Dr. Hugh Horner, M.P. for Jasper-Edson riding, gave a report to the convention at Edson of proceedings in the sessions of Parliament at Ottawa. Dr. Horner asked for letters from his constituents in Jasper-Edson. He stated that it was one way in which a Member of Parliament could keep in touch with his constituency. He stated: "With the vast distance from the House to this constituency we cannot keep in touch as closely as we would like. You can help us by writing and relaying your problems..."

Dr. Horner further stated: "I like to think of Jasper-Edson Constituency as the oil capital of Alberta. Half the oil produced in Alberta comes from this constituency. The present recession in this industry amounted to 10% in oil sales. Next year I think we can look forward to an increase of 10%".
